

Existing and Proposed Traffic Flow

Downtown Circulation and Mobility Plan

- There are approximately 80 roadway segments in downtown
- Approximately 60% of them are one-way segments
- Many roadways transition from one-way to two-way or vice versa throughout downtown

- Convert portions of State St. to two-way operation
- Convert Clinch Ave. to two-way operation throughout downtown
- Convert Walnut St. and Locust St. to two-way operation between Union Ave. and Church Ave.
- Convert Union Ave. to one-way eastbound from Locust St. to Walnut St.
